Assessor Comments	42 x Out Standing Angus steers. 10-11 months old This is the lead draft out of 250 steers, and they have progressed very well on crop and pasture over the last two months. Showing all the true attributes of the Angus breed, with ample bone and muscle accompanied by soft fleshy skins. Given the right situation these cattle will not disappoint, and they come recommended. All sired by quality Dunoon and Hazeldean bulls.
