Assessor Comments	Excellent line of steers to take on! The Ross & Spurgeon family have once again produced an outstanding line of weaners for your competition. 141 Steers being offered in total, these are just the lighter/younger brothers of the 8 weeks calving - they can't all be born on the same day! Upper Murray bred calves of renowned quality that are highly sought after by repeat & in-house clients for both the feeder & export markets. Cattle with plenty of stand up & frame, notably long, with good depth and bone, and very good skin. Steers that come with the confidence of a reputation for performing in any chosen market and always proving a very good investment. Buyers please Note. Vendor has another 96 of the heavier/older brothers in the same sale. Note - delivery details.
