Assessor Comments	An excellent opportunity to purchase 28 quality Angus weaner heifers from the highly regarded Llandalo breeding program at Cudgewa. These heifers are yard weaned carrying proven Llandalo and RAFF Angus bloodlines renowned for fertility, structural soundness and productive performance. Displaying excellent length, femininity, depth of body and bone, these heifers are an even line of healthy, well-grown females with quiet temperaments and have been well managed from birth. Their quality and breeding make them ideal for buyers looking to retain future breeders or grow out for feeder or domestic markets. These heifers represent the type of females that will develop into productive, long-lasting cows with the maternal strength and performance expected from this respected breeding program. A genuine line of Upper Murray Llandalo Angus females offering quality, consistency and future breeding potential. Buy with confidence – proven genetics, sound management and exceptional future.
