Assessor Comments	Seconds of the drop Angus Steers drafted into a neat deck load, with the tops of the draft offered for sale in May. Steers are well weaned and up to date with all animal health treatments. The program have been using quality Angus Bulls from Banquet Angus for a number of years. Steers are somewhat docile and were quite unphased by us drafting and handling in the assessment process. An even line of Steers that are carrying no excess condition and ready to go ahead with ample frame to put condition on.
