Assessor Comments	Offering a neat draft of Angus & Black Baldy heifers presenting in fresh, forward store condition. Bred from good quality Angus & Angus X cows they look to display the right attributes to mature into quality trade or export processor calves or to join for a spring calving. They are deep bodied, good boned cattle. They have been well weaned, have had two x 5-in-1 and a Piliguard. Ideal article to background, finish or join (NOTE: vendor offers 19 steers similarly bred as well as 16 Angus X F1 steers, 16-17 months this sale, 54 total on offer).
