Assessor Comments	Offering a neat draft of Angus & Angus X steers presenting in fresh, forward store condition. Bred from good quality Angus & Angus X cows they look to display the right attributes to mature into quality feeders, trade or export processor cattle. They are deep bodied, good boned cattle. They have been well weaned, have had two x 5-in-1 and a Piliguard. Ideal article to background or finish. (NOTE: vendor offers 19 heifers similarly bred as well as 16 Angus X F1 steers, 16-17 months this sale, 54 total on offer).
