Assessor Comments	Excellent line of Angus x Angus/Hereford Feeder Steers that were a pleasure to handle in good facilities. These steers would suit to feed on to heavy trade or export weights. These steers were purchased in January out of Western District weaner sales and have grown out exceptionally well. Good even line with majority in tight weight range and are up to date with all health treatments including Bovi-Shield MH-1 and Rhinoguard IBR also have Beachport stock minerals White Cap added to water troughs every 6 weeks. . NOTE: Vendor has 3 other lots on same property and a further 4 lots on another property in this sale totalling 214 head.
