Assessor Comments	A well-bred line of Simmental steers that have a solid basis of genetics and are bred for performance. These steers represent an annual draft of steer calves that have been culled from the Lakeside Bull program and hence marked a little later. They present in strong store condition, are of medium frame with solid bone and depth. Ideally set up to take on and mature to heavy weight steers on grass or further background before introducing to the feed pen. Note - 21 Tradition Marked Reds & 1 Solid Red with 14 Polled, 5 Dehorned & 2 Small Scur and 1 Short Small Horned calf making up the composition of this draft.
