| Comment on Fat Score 1 Cattle | Heifers have healthy coats and strong forward store condition. Would travel long distance if required.                                                                                          |

| Breeding Comments             | One heifer is out of an Angus cow, the others are F3,F4.                                                                                                                                        |
| Grazing Conditions            | Native grasses mainly phalaris based.<br>Returned same                                                                                                                                          |
| Burr/Seed in Coat             | No Burr or Seed of weeds declared noxious observed in the coats at assessment                                                                                                                   |
| HGP Status                    | The owner declares that the cattle have not been treated with HGP at any period of their lives                                                                                                  |
| Vendor Comments               | Vendor has put a lot of effort in to breeding the very good quality Speckle Park heifers. Would be great to see them go to a breeder. Quiet heifers that would be a great addition to any herd. |
