Assessor Comments	A great opportunity to purchase a line of F1 Wagyu heifers, direct from the breeder. These heifers have an excellent reputation of being high performance cattle. The heifers were a pleasure to handle and have been professionally weaned, by highly experienced managers. Note other lots same vendor this sale. Bulls have been selected for the live export market to Japan in the past. These heifers have been highly sort after for performance and temperament in the past. I would highly recommend these heifers, as previous buyers have rated this line of cattle as of excellent quality and performance. If you are after performance and quality these heifers are for you!!
