Assessor Comments	A nice line of 10 Poll Hereford Heifers that have done really well on crop over the last few months. These heifers are pure Benell Poll Hereford Bloodlines and were a pleasure to handle in the yards; their temperament was outstanding. They are a July/August 2025 drop and have seen no opportunity to a bull. They would be not only a great prospect to take forward as breeding cows; they also have enough bone and length to reach feeder, domestic and export slaughter weights. A good line of heifers to take forward.
