Temperament not assessed in

Please note these young weaners were handled in a small set of portable yards with little room and handled well.

Handled With

Bikes , On foot

Notable Traits

Traits

1 Head White udder & toward navel

Assessor Comments

Good and very good quality mixed sex calves. Out of a very solid cow herd by very good Onslow blood sires. Weaners show potential with nice bone, stretch and depth. Good young cattle that will be very good given the opportunity. 2 calves with a cloudy eye.
