Assessor Comments	A quality line of vendor breed steers on offer with plenty of stretch, depth and a great temperament with positive feedback from all previous purchasers. These steers are really on the go now to take through to heavy feeders or further on. No short cuts in the weaning and animal health programs, in these cattle. Highly recommended, purchase with confidence. Please note these steers were assessed in two different sets of yards but will be run as one until delivery. Note : 1 steer with a slightly loose navel and buyers please note eye blemishes in photo's
