Assessor Comments Buyers, on offer is a nice line of 54 August/September drop Weaned Angus Heifers. Heifers are Millah Murrah bloodlines and were weighed above 260kgs to average 290kg at assessment. Heifers present in predominantly store condition with good frame to continue to grow into heavier feeder, future breeder or kill specifications. Heifers were very easy to handle throughout the yards and were YARD WEANED for 7 days before having grazed a Wheat & improved pasture for the last couple of months. Heifers are bred out of medium to large framed females. A good opportunity to purchase well bred calves suited to backgrounding throughout the spring. Please call for more information.
