Assessor Comments

Buyers, on offer is a quality line of 27 Hereford steers averaging 280kg at assessment. Steers are a September-October 2025 drop and are by Wirruna Poll Hereford sires. Steers were purchased in March from the renowned Cooma Annual Blue Ribbon Weaner Sale. Steers present as an even, well-presented draft displaying good Hereford markings, excellent softness, depth, length and bone. They have continued to perform well on grass and present as genuine, high-quality

steers with plenty of growth potential. Ideal to grow out to feeder or heavier kill specifications, these steers offer potential buyers the flexibility to suit a range of finishing programs. Steers are Grass Fed Eligible. A good opportunity to secure a well-bred, quality line of Hereford steers with the genetics and frame to continue doing well. For further information, please contact.
