	5 Brahmans that stick together and are therefore very easy to move around and draft as they continually want to be with their herd mates. We found them very easy to draft and generally move around, but did become camera shy in the paddock.

Assessor Comments	Brahman Weaners. 3 heifers & 2 steers. Good on fences, easy cattle to have around. Can get a little stirry when singled out in yards, but only until the individual returns to its mates only.
