	In paddock cattle are inquisitive and mill around people. Through the yards they were easy to handle, only a small number unsettled in crush.

Assessor Comments	A tremendous draft of vendor bred steers that are the lead of last year's calves. The Neander's are very adept at breeding high quality Angus cattle and this years draft is one of the best I've assessed. The evenness, skin and type are all a feature of this group. Banquet bulls have been the primary sires for over a decade, the last 4yrs the addition of Rennylea bulls were bought to bolster IMF & EMA. If you buy this draft you will be a repeat buyer.
