| Assessor Comments      | 8 Friesian steers to be offered, bred out of large framed Holstein cows. These steers are extremely quiet and easy to handle and have good respect for electric fences. They have been fed a heifer developer mix (1.5kg) for the past month to maintain condition over winter and will continue on until delivery. All health treatments are up to date including 3 x 7in1, Zeromec gold and vb12+ selenium last received on 3/07/2026. Please note there is a sample of the steers with slight ringworm. This vendor has one other lot in this sale for your consideration (16 Angus X FF Steers) |
