Assessor Comments	Waterloo Ag, will offer 44 Angus & Angus X Steers, March/April '25' drop, Dollar Angus Bld, weaned, PCAS, Grass Fed & Antibiotic Free. They will present in healthy forward store condition having all been weighed from 424 - 532kg ave 481kgs (full). Outstanding draft of steers of Waterloo Ag these steers display tremendous depth, length, bone and softness, they have future export bullocks written all over them given feed in front of them. These steers come with my highest recommendations and will not disappoint, they have, an excellent health status, bred from a large frame cow herd with over 70 years of breeding. These steers are the Tops of the Drop they are ideal condition to finish on grass or grain by the end of the Spring. Steers are all Vendor Bred. Please note the 1 grey steer vendor is happy to hold back upon delivery.
