Assessor Comments	Outstanding quality line of Primeline ewe lambs that represent an annual sale for the Snodgrass family and are an ideal line for a foundation flock or add on. Ewes come from a well-managed flock packed full of performance and carry very good reputation. The Snodgrass family have been utilising Primeline genetics for 25 years and are industry recognised. Ewes are sired by high index Primeline rams with a strong focus on phentoype and data in their sire selection. They annually average in the top 20% of the maternal catalogue for their sires. Ewes exhibit all the quality traits the breed desires and will complement the most astute buyer's requirements. Total of 700 ewes on offer in three groups and will be delivered via the drafting gate if required to ensure evenness at delivery. Please call for further information
