	THESE HEIFERS WORKED VERY WELL THROUGH YARDS AND CRUSH. THEY ARE VERY WELL-EDUCATED CATTLE TO WORK WITH.			
Handled With	Low Stress Stock Handling© practices (12/07/2026)			
Assessor Comments	On offer are 43 Angus future breeder heifers. These heifers averaged 326kg liveweight at assessment after a full overnight curfew. They are very well educated and worked well through the yards and crush. Ideally positioned to retain as future breeders with their entire breeding life ahead of them, they would also be well suited to grow out to trade or export weights, taking advantage of the spring feed. These heifers carry my strongest recommendation.
