Assessor Comments

On offer are 21 Simmental X steers, averaging 306kg liveweight at assessment. These steers are currently being yard weaned and educated through the yards. The steers are really starting to move ahead and are well placed to take advantage of the spring feed. They present an excellent opportunity to fatten into trade or export weights. same vendor will offer 25 heifers in the same sale. These steers carry my recommendation. Buyers please note these steers will be yard weaned on oaten hay until delivery. The Barclay cattle have an outstanding reputation for doing ability and high yielding carcass performance.
