Assessor Comments	A line of 30 Angus/Santa X heifers, ranging from 306-456kg to average 377kg after a 4hour curfew. These heifers really are a true testament to the quality the Ward family have being producing. These heifers are out of Wrigley Cattle Co bulls and large frame top quality Santa Gertrudis cows. Heifers show excellent growth, bone and structure. Buyers this is also a great opportunity to secure high class females that would make great breeders, would also be ideal for the feeder market and have the potential to grow out for the domestic or export market. BUY WITH CONFIDENCE. NOTE 3 heifers have white patches on underside.
