Notable Traits	Traits		
	1 Head Very small old blemish in eye		
Assessor Comments	Good quality line of Angus females representing the second line of females for the drop for the Redhill operation. Total of 66 heifers on offer in this sale. Please note, heifers were drafted into two lines pre assessment based on type and condition. This group of 33 presenting 2nd group of what is on offer in this sale. They present evenly as a group and are really starting to bloom coming into spring. Bred from genuine moderate to larger framed females. Strong focus on growth and calving ease in their sire selection. Heifers stand in fresh forward store condition and will continue to improve shown the same good management. Please call for further information.
