	Good heifers to handle. Cattle are well handled with their commercial data collection and exhibit excellent calm temperament.		
Handled With	Bikes , Dogs , Vehicles		
Assessor Comments	Good to better quality line of Twynam composite females. Total of 55 composite heifers on offer in two weight ranges. This group being the lighter weight range and most likely the younger portion. They stand in fresh store to mainly forward store condition. Heifers will continue to improve if shown the same good management. Heifers are very well bred soft doing types which show good conformation. Equally suite to future breeders or to feed on to heavier weights. Heavier draft also on offer along as a line of Angus heifers in the same sale. For further information please call.
