Assessor Comments	A very high quality line of 135 Hazeldean & Rossrich blood Angus steers weighed 380kg+ to average 425kg (382-512kg) full at assessment so be sold in two lots (B-Double & 2-decks). The Waldren cattle are noted performers and sort after by major feedlots annually and are in perfect condition to go onto feed or grow out on grass. Vendor will pay freight to Braidwood saleyards for the B-Double line (no B-Double access on the property) at their expense to assist with trucking. Please note; these steers were drafted on colour with the XB steers drafted off, however please note some steers show some subtle Shorthorn or Simmental influence - please refer to the media for your satisfaction. Vendor also offer the coloured portion in todays sale to make a total of 164 steers in todays sale (would make 2 neat B-Doubles).
