| Assessor Comments             | Outstanding opportunity to put together a large run of high-quality Angus Rennylea Angus blood heifers from the highly regarded Hopewood herd. This lot is the lead draft which weighed 408kg full (377-516kg) being offered in a neat B-Double line of 90 head. The herd places particular emphasis on EMA, IMF & high growth rate to target the high-end Angus & F1 feeder market with the progeny being highly sort after by repeat buyers annually. Bred out of a herd of large frame cows that are heavily classed annually, these heifers would go on to become excellent future breeders or an ideal article to go onto feed. Offering both \$/head and c/kg bidding options. Please note; vendor offering a total of 215 heifers in today's sale over three lots. |                                                             |                                     |
