Handled With	Bikes , Dogs																		
Assessor Comments	A Classy line of Vendor Bred Angus X Angus Heifers Grass Fed and Antibiotic Free. These heifers present a great opportunity to secure the top of the drop with no heifers retained classed females ideal to join. They are in strong healthy condition however they are still losing their winter coat but are really going ahead with the change of season. These cattle are bred in High Country from a Moderate to Large frame Angus cow herd with Good Quality Angus Sires used. Buyers Please Note: Vendor is delivering heifers to Scone Saleyards for buyers convenience. Some heifers noted at assessment to have Warts on head and body as well as old pinkeye scarring or a slightly blueed eye not considered detrimental, a portion of heifer have white on the inside of the flank/udder area consistent with a large amount of the Angus breed.
