Assessor Comments	A good line of Angus heifers. These heifers have been back grounded by good operators, who gave them the best start via a thorough induction process using industry leading animal health products. All of this has combined to produce big lines of full assimilated cattle that are producing over 1.1kg/hd/day. Buyers please note the Carrigan family have another two lots in this sale, totalling 330 of these heifers all within a 100kg weight range, giving you the opportunity to purchase large runs of like cattle that are ready to perform.
