Assessor Comments	Buyers, to be offered for sale A/C Chatsworth Pastoral are 57 Angus Heifers. Vendor bred, genuine cold country cattle that are well on the move. These heifers have averaged 1.6Kg per day over the past 70 days on the oat crop. Heifers averaged 316.9Kg full at assessment, weighed 280+Kg. These heifers are of medium to large frames in good store to forward store condition. They will continue to grow and mature into true to type angus cows. These heifers are very well bred with the vendor sparing no expense on bull purchases or selection with an emphasis on calving ease, growth, temperament and overall shape and structure. Sired by Millah Murrah, Milwillah and Gilmandyke Angus Bulls and are out of a cow herd based on the same bloodlines. Vendor has been using Millah Murrah and Milwillah genetics for 13 years and Gilmandyke genetics for 5 years. They are very well managed and properly managed with all health treatments up to date. They have not had a joining. These heifers will suit any operation as replacement breeders or to take on into feeder weights or further into export cattle. A great opportunity to secure a well bred article of young Angus females.
