Handled With	Outstanding temperament, with the vendor doing an excellent job educating the cattle using dogs and bikes. Bikes , Dogs , On foot , Vehicles																		
Assessor Comments	An excellent line of 48 Angus heifers carrying very good genetics. Heifers were purchased through New England weaner sales. This consignment of heifers would be ideal feeder heifers but would also make great future breeders if required. Very Quiet and easy to handle. One heifer with very small pink eye scarring, not affecting vision. Small percentage of heifers show ringworm markings, as visible in the photos.																		
Assessor	Jaiden Burke (Level 2 Accredited)																		
Delivery Period	21/09/2026 to 25/09/2026 (5 days)
