Assessor Comments	A small line of trade heifers which had a tough start but are on the do now. They were purchased as a trade option and have had everything thrown at them to get them up and going. Weight 181 - 222kg to Ave 203kg full at assessment. There is plenty more gain in these cattle so a great trade opportunity to be had.NOTE - One heifer had an eye removed by a Vet prior to vendor purchasing them, she can be removed from the line if successful purchaser wishes. NOTE - refer to photos for old eyes, missing eye. Vendor has 23 Hereford steers - and 20 Hereford heifers in this sale.
