Assessor Comments	A Nice Line of well bred NSM Future Breeders. The Ross & Spurgeon family have produced an outstanding line of heifer weaners for your competition. Excellent weight for age, and all flying ahead on quality pastures. These are Upper Murray bred calves of renowned quality that have been repeatedly purchased by repeat & in-house clients for both the breeding programs, feeder & export markets. Cattle with plenty of stand up & frame, notably long, with good depth and bone, and very good skin. Heifers that come with the confidence of a reputation for performing in any chosen market and always proving a very good investment.
