Assessor Comments	A quality line of 55 Hereford heifers, averaging 292kg at assessment. These heifers were purchased as young weaners through the Bairnsdale Saleyards and are of high country breeding. They present as a well bred, even line with good frame and shape, offering plenty of potential to put weight straight on and continue on as feeders or grow out to heavier weights. A good opportunity to secure a handy line of genuine high country bred Hereford females
