Assessor Comments	A well-bred line of young Speckle Park steers, sired by a Te Mooi Speckle Park bull. These steers are true to the breed, showing excellent structure and type. With all routine animal health treatments they're now responding well to fantastic spring conditions and are starting to show strong growth. These steers are ideal for backgrounding and growing out, and would suit anyones front paddock. Please note vendor has a small line of cows and calves in same sale.
