Assessor Comments	A ripping run of EU spring drop heifers offering a multitude of options. Every heifer has been carefully inspected, resulting in a true to type run of females ready to go straight to the bull. These cattle will take your eye at first glance. Massive conversion ability, or retain to grow into large frame cows. Heifers are grass fed only, antibiotic free. These heifers will continue to perform to the highest level in the right environment. Please note 2 heifers have a little bit of white on their udders.
