Assessor Comments	This line of Sheepmaster ewe lambs represents a great opportunity to secure some future breeders, ideal for starting a high quality Sheepmaster flock. Selling surplus to requirement ewe lambs due to having multiple matings each year creating a surplus of replacements. These are very good shedders and would look at home in anyones front paddock. they come highly recommended. These are the top draft from this particular drop. With high quality genetics siring these lambs it puts you generations ahead in a breeding program. Ideal weight for mating at anytime from delivery
