| Assessor Comments                          | These Sheepmasters are ran in one of the wettest areas of WA and display the versatility in the breed adapting to different climates. Gleanarty has been breeding Sheepmasters for 14 years these lambs have been weighed off at plus 40kg and are about to gain a lot of weight being just weaned and coming out of a South west winter an ideal line of ewe lambs to mate before xmas. |                |  |           |     |           |     |      |     |
