Assessor Comments: Very good line of Vendor Bred Shorthorn steers that in ideal condition to take on and finish on crop or feed. Well bred steers out of medium to large frame "Gundibri" Shorthorn Cows bred for easy doing ability. These steers were very good to

	draft through round yard and flowed through race and crush with ease. Odd steer agitated on weigh platform but settled very quickly. These steers would be ideal to feed on for domestic trade if purchaser wished to do so. Steers are really on the improve day by day licking themselves and cleaning up in the coat. 3 Steers small blue spot in one eye. 2 steers small amount of ringworm scarring on head or neck.
