Assessor Comments	B-Double line of 84 Angus steers weighed into a tight weight range of 390-445kg full to average 420kg. They show good frame and present very even as group and would be ideal to go onto feed or continue on grass for heavy kill or feeder markets. Please note; they have had their first shot of Bovilis MH + IBR in August. They are Never Ever Accredited and a grassfed certificate can be provided if requested. Being sold c/kg only to be weighed full -5% at Wagga.
