Assessor Comments	An opportunity to purchase quiet, well handled Angus and Angus Cross, pregnant, young cows and heifers. Most of these are firsts calvers, with all but 1 being over 4 months in calf to low birth weight Bulliac Angus bulls. Cows are only being sold to make way for more sheep. PLEASE NOTE photos were taken just after 10mm of rain, so cattle are wet and rougher looking. Vendor also has another 9 PTIC first calf heifers and young cows in the same sale.
