	Heifers were generally very good to handle in an excellent set of yards. Some did become slightly agitated when being weighed. But were very easy to handle in the back yards.		
Handled With	Bikes , Dogs , Horses		
Assessor Comments	A very good quality line of PTIC heifers from the Nindooibah Ultrablack & Brangus stud at Beaudesert. This now presents an excellent opportunity for restockers to secure long term breeders. The heifers are in very good condition, they do show plenty of weight for age and softness. Please see photos and videos. These are GUARANTEED clear of the ticks so no risk to any buyers.
