Assessor Comments	An opportunity to purchase a well bred line of Droughtmaster X Heifers, PTIC to Low Birth Weight Angus Bulls, 4-8 Months in Calf - With Majority 5-7 Months. Heifers were purchased originally ex Nyngan, NSW as a breeder line, but now must be sold due to conclusion of lease country, Heifers present in good store condition, benefiting from a quality supply of native summer grasses and herbage throughout the last few months. Heifers are on the move ahead, gaining weight & frame since purchase and would continue to develop and mature into a tidy line for the successful purchaser.
