Heifers were purchased ex Nyngan NSW as a breeder line, but now must be sold due to conclusion of lease country. Heifers present in good store condition, benefiting from a quality supply of native summer grasses and herbage throughout the last few months. Heifers are on the move ahead, gaining weight & frame since purchase and will continue maturing into a tidy line for the successful purchaser. Heifers were preg-tested @ assessment along with their sisters also in today's sale - 2 Heifers from this line were PTIC to Speckle Park as an early stage pregnancy - Marked Mid Back with 2 Pink Dots.
