Assessor Comments	An opportunity to purchase a good draft of Angus & Angus/Hereford x Cows & Calves. These cows were purchased as joined cows back in the spring bred off the renowned Tumber Stations & Lake Nash by the Hughes family. These cows are all sound, show plenty of milk and are predominately large to medium framed. They are of mixed ages however they were all strong sound mouth. Very good sappy young Angus & Ultrablack calves at foot which are 4-8 weeks of age. Opportunity to put together a run of cows & calves off the same vendor.
