Assessor Comments	An opportunity to purchase a draft of Angus & Angus/Hereford x Cows & Calves. These cows were purchased as joined cows back in the spring bred off the renowned Tumber Stations & Lake Nash by the Hughes family. These cows show plenty of milk and are predominately medium framed. They are of mixed ages with either worn, ground or broken teeth. Very good sappy young Angus & Ultrablack calves at foot which are 4-8 weeks of age. There is one cow with an old blue eye, one with a bob tail and one with bigger teets. Opportunity to put together a run of cows & calves off the same vendor.
