Assessor Comments	On offer is a quality line of 29 pure K.O. Blood Angus heifers PTIC to high ranking Bongongo sires (See Bull Pedigrees attached). Vendor takes the upmost care in selecting Bulls based on birth weight, milk and IMF. These heifers have continued to develop and grow since being brought in as breeders heifers out of Gundagai's Annual Blue Ribbon Weaner Sale. Buyers please note there is the very odd blue eye scarring amongst these heifers. A very good line of July calving heifers with good temperament that would be a welcomed addition to any Angus breeding herd.
