Assessor Comments	A good line of breeders heifers which are presented with a tail classed out prior to joining. This line of heifers are PTIC to high ranking Bongongo sires selected for birth weight, milk and IMF (See Bull pedigrees attached) and are to start calving early July. Heifers present with no waste and are in ideal calving condition. Given the opportunity these cattle will continue to develop into a good line of mature females. Buyers please note there was approximately 3 heifers with old blue eye scarring.
