Assessor Comments	Quality line of Angus Heifers and Calves. These rising 3 year old Reiland Blood Heifers/calves would be an asset to any breeding operation. With all the hard work done these Heifers are ready to take on and be productive females for years to come all Heifers calved unassisted. An Angus Bull got in with Heifers but in my opinion Heifers wouldn't have been cycling yet. Please note 1 heifer with white patch on head the size of a fifty cent piece. Heifers have good milk , calves are unmarked.
