Assessor Comments	Vendor purchased as weaners and grew on to join was impressed with how well they are to handle and elected to join however is not in a position to calve down himself. Reluctant sale of quality young Mawarra blood Hereford females PTIC to Harris farms Angus bulls. Ideal opportunity to take advantage of current season with quality females. All heifers have been

dehorned approximately half showing some small regrowth. Note vendor has another draft of 26 Angus heifers' same joining in sale also.
